

## **Environmental and animal sciences and contributions to the evolution of scientific knowledge**

We present the first number of the second volume of the Europub Journal of Animal and Environmental Research - EJAER.

The EJAER is dedicated to the publication of academic-scientific articles, related to the field of Animal and Environmental Science, promoting academic exchange at national and international level.

We wish the readers a great and enjoyable reading.

Prof. Anderson Catapan, PhD.  
Editor-in-Chief
